

EAST WOODS ELEMENTARY SCHOOL PRESENTS

"The four Houses are called Gryffindor, Hufflepuff, Ravenclaw, and Slytherin. Each House has its own noble history and each has produced outstanding Hudson Explorers. While you are at East Woods, your pennies, dollars, and checks will earn your House points, while any nickels, dimes, and quarters placed in your container by other students will lose House points. At the end of the week, the House with the most points is awarded the House Cup and exciting prizes, both great honors. I hope each of you will be a credit to whichever House becomes yours."

– Professor Sedlak, Headmaster

EAST WOODS HOUSE CUP (PENNY WARS): PTO FUNDRAISER MONDAY-FRIDAY, SEPTEMBER 16-20, 2019

- Mr. Sedlak will use the Sorting Hat to sort fourth and fifth grade classrooms into four Houses, or teams
- Each class has a container in the Commons outside the gym, labeled with that classroom's House, for collecting money
- Houses **gain points** by adding **pennies, bills, and checks made payable to Hudson PTO** to their own containers
- Houses can **lower** other House's totals by adding **silver coins (nickels, dimes, quarters)** to other House's containers
- Each cent is worth **one point** when adding or subtracting
- The House with the highest point totals at the end of the week will win the **PRIZE: Pick out Mr. Sedlak's and Mr. Morris's Halloween costumes!**
- The winning 4th grade and 5th grade classes will each get **a popcorn party!**
- All classes that reach a total of \$200 will win **an extra recess!**

If you bring in your coins already rolled, you will receive a +25 point bonus on pennies, and a -25 bonus penalty on nickels, dimes, and quarters! For example: an already-rolled roll of pennies will equal +75 points for your class (instead of +50), while an already-rolled roll of quarters will equal a -1,025 point penalty for another class (instead of a -1,000 point penalty).
