Hudson, Ohio

2017-2018 PTO Family Membership Form

Hudson PTO is all about financially and actively supporting the Hudson City School District, bringing students, parents and staff together to instill a positive atmosphere within the home, school and community, and most importantly, having fun!

Since 1964, Hudson PTO has donated over \$2,000,000 to Hudson City Schools. Last year alone, PTO provided over \$75,000 in grants, scholarships and awards, plus sponsored over 50 exciting events in our schools including Pancake Breakfast, Halloween Windows, COSI and Author Visits. By joining, your dues will not only support all of these projects and events, but you'll receive our monthly newsletter, member-exclusive volunteer opportunities, plus complimentary Hudson PTO sticky-notes! Sign up today—together, we can enrich the educational experience for all students in Hudson!

Please complete the information below and return with your check (**made payable to Hudson PTO**) to your child's Homeroom teacher or the school office.
